No break

Make sure to not drink too much beforehand

No paper

Use your mind to make notes and do (small) calculations

Contact Oracle

Explain your problem

Hope for the best

Be prepared to buy another voucher

Technical Problems

Test Center vs Home

Test center	Home
You get to use a piece of paper	Comfort of your own home
Opportunity to have some water	More time slots available
Less chance of getting disqualified	Stricter proctoring
Travel to get there	No piece of paper
Other people or distractions	Own suitable device and stable internet necessary
